In 2021, an event producer may award up to $5,000 for each team they sponsor with a partial-paid bid to The Dance Worlds. We are diligently monitoring information from health authorities and local governments and working with our Walt Disney World® Resort contacts to promote the healthiest and safest environment possible at The Cheerleading and Dance Worlds 2021.

As you prepare your visit, please be aware of these enhanced health and safety measures that will be in place. These updates are based on guidance from health authorities, such as the Centers for Disease Control and Prevention (CDC) and appropriate government agencies. Please note this is a fluid situation and subject to change.

• All participants, coaches and spectators will be required to undergo a temperature screening with no-touch thermometers before entering the competitions venues at the ESPN Wide World of Sports® Complex.
• Spectators viewing may be limited to team performance times only. Awards may have limited spectators, coaches and athletes or be completely virtual.
• The Walt Disney World® Resort is operating at a limited capacity and theme park reservations will be required. To enter a park, both a park reservation and valid admission for the same park on the same day are required. Stay tuned for more information on how you can receive your park ticket numbers in advance in order to book your park reservation early.

PROOF OF AGE — U.S.-BASED TEAMS
Each athlete on a U.S.-based roster is required to have proof of age and a current headshot uploaded to their USASF member profile.

USASF CATEGORY DESCRIPTIONS

HIP HOP
A Hip Hop routine can incorporate any street style movement that has evolved from the hip hop culture. Emphasis is placed on the execution of authentic style(s), originality, control, musicality, intricacy, uniformity, and may incorporate purposeful elements and skills.

JAZZ
A Jazz routine can encompass any range of jazz movement including traditional jazz, commercial jazz, musical theater, jazz funk, or stylized hard-hitting jazz. Movement is crisp and/or aggressive in approach and can include moments of softness while complementing musicality. Emphasis is placed on style, body alignment, extension, control, uniformity, technical elements, and communication.

POM
A Pom routine contains important characteristics such as strong pom quality of movement (clean, precise, sharp motions), synchronization, visual effects, and may incorporate purposeful pom elements (i.e. pom passes, jump sequences, leaps/turns, kick lines, etc). Poms should be used throughout the routine. Inadequate use of poms may also affect the panel judges’ overall impression and/or score of the routine.

CONTEMPORARY/LYRICAL
A Contemporary or Lyrical routine uses organic, expressive, pedestrian and/or traditional modern and/or ballet vocabulary as it complements the lyric, mood, and/or rhythmic value of the music. Emphasis is placed on control, expressive movement, dynamics, alignment, use of breath, uniformity, communication, and may incorporate purposeful elements and skills.

SUBMITTING A VIDEO FOR LEGALITY REVIEW
To help ensure a penalty-free Worlds routine, we encourage you to submit a video of each skill, lift, costume, or prop about which you may have a concern. A USASF official will review each video and determine its legality. Results will be communicated to the participating program and will not be shared with other programs or with The Dance Worlds judging panel. The deadline to submit a video for review is April 26, 2021 and results will be shared by May 3, 2021. Videos submitted after the April 26 deadline will not be reviewed.

NOTE: Videos will be reviewed for potential penalties but will not preclude a team from being assessed a penalty while at The Dance Worlds. Legality officials will be in the warm-up area to ensure that all rules regarding the competition are followed.

U.S.-BASED TEAMS: Use the USASF Coach app that can be downloaded from your app store on your mobile device.
TEAMS IN OPEN AND JUNIOR DIVISIONS: Email dance.rules@iasworlds.com.
AGE OF COMPETITOR - IASF WORLDS DIVISION
An athlete must meet the age requirement within the calendar year of 2021. Examples:
• A 13-year-old athlete may participate in an Open Division where the minimum age is 14 if he/she turns 14 any time in 2021
• A 17-year-old athlete may participate in a Junior Division where the maximum age is 16 if he/she was 16 at any time in 2021.

PROOF OF AGE — NON-U.S.-BASED TEAMS
Copies of all athlete birth certificates or passports must be with the team’s coach/representative at all times and readily available upon request from a Worlds official. Copies of athlete birth certificates on a USB/zip drive are acceptable.

IASF CATEGORY DESCRIPTIONS

An emphasis is placed on group execution including synchronization, uniformity, and spacing. JUNIOR DIVISION
All performances in the Junior Division, regardless of style, will be judged against each other in the Junior Dance division. A routine in this division may incorporate any one style or combination of styles outlined in the IASF category listings above.
BID REQUIREMENTS

PARTIAL-PAID BIDS
Partial-paid bids are awarded to the top teams in one or more of The Dance Worlds divisions at bid-qualifying events. Each event producer who hosts a bid-qualifying event has the discretion to select the processes by which the bids are awarded. Partial-paid bids sponsor $325 per athlete plus two coaches ($5000 maximum). Checks will be written to the USASF, mailed directly to the program and must be applied towards the cost of the team’s registration package. The program is responsible for the balance of the team’s competition expenses. The partial paid bid sponsorship funds are not prize money and they are to be used towards the team’s USASF Worlds registration package, lodging and/or transportation to Orlando to participate at The Dance Worlds. NOTE: If the Dance Worlds event is cancelled for any reason, the partial paid bid sponsorship funds must be returned to the Event Producer who awarded the funds. Additional expenses incurred will be the responsibility of the team/program. Event producers will not be responsible for late fees if their representing team does not meet the registration deadline. Event producers will not be responsible for added change fees if the representing team has to make changes to the original registration and/or travel.

AT-LARGE BIDS
At-large bids are generally awarded to the teams scoring next highest to the partial-paid bid-winning team. Each event producer that hosts a bid-qualifying event has the discretion to select the divisions and the processes by which the bids are awarded. Recipients of at-large bids are eligible to compete at The Dance Worlds, however, they must pay for their own accommodations and related expenses.

APPLICANT BIDS NEW FOR THE 2020-21 SEASON ONLY
Applicant bids are available to teams that attended at least three 2020-21 USASF-sanctioned competitions, one of which must be a 2021 Worlds bid-qualifying event. Teams must apply for applicant bids. If approved, teams must pay for their own Worlds registration packages and all related expenses.

JUNIOR DIVISION BIDS
Any U.S. Junior team that would like to receive a 2021 Dance Worlds bid to compete in the Junior Division may submit a video for qualification. Up to six U.S. teams (limited to one team per program) will be selected to receive at-large bids in the Junior Division. Video qualifications and additional information is available at TheDanceWorlds.net.

DEADLINE FOR BID ACCEPTANCE
Partial-paid and at-large bid winners who choose to accept their bids must do so within 72 hours after the last day of the bid-receiving event. The process to ACCEPT a bid includes:
1. returning the Bid Winners Acceptance Form to the sponsoring event producer, and
2. updating the Worlds Bid section in your USASF program membership profile.

Therefore, prior to competing in a Worlds bid-qualifying event, each team will need to decide whether it will accept the bid should they receive one; who will be going; and what the travel specifics will be. The purpose of this tight timing is to control last-minute changes that increase costs and make the entire travel experience disorganized.

Once a team accepts its bid, all required registration materials must be completed by the deadlines noted on page 10 of this packet. Any team holding its registration past the deadline in hopes of receiving a partial-paid bid at a later Worlds bid qualifier but is ultimately unsuccessful in achieving one, will be charged a late registration fee.

Bids that are not accepted or declined within the 72-hour deadline may be transferred to an alternate team at the sponsoring event producer’s discretion. The sponsoring event producer may not transfer (hand down) any unaccepted or declined at-large bids after 96 hours from the last day of their qualifying event.

TEAM BID LIMITATIONS
A team may receive no more than one bid to The Dance Worlds for any given division. If a team has already accepted an at-large bid and opts to compete for another bid, they will be eligible only for a partial-paid bid. They will not be eligible for another at-large bid unless they decline the first at-large bid they were awarded BEFORE competing for another at-large bid. The process to DECLINE a bid includes:
1. writing to the sponsoring event producer,
2. writing to the USASF Regional Director, and
3. updating the Worlds Bid section in your USASF program membership profile.

DIVISION AND TEAM SIZE REQUIREMENTS
A team that is awarded and accepts any type of Worlds bid must compete at The Dance Worlds in the same division, category, and team make up (i.e. Coed, etc.) in which they competed at the bid-qualifying event. See “Divisions” at TheDanceWorlds.net for an outline of USASF qualifying bid categories. The number of athletes competing on any team at Worlds may not exceed the number of athletes that took the floor with the team at the bid-qualifying event.
ATHLETE, SUBSTITUTION AND ALTERNATE REQUIREMENTS

ROSTERED ATHLETES
Each team must submit their official roster for The Dance Worlds through the USASF member portal. The total maximum number of rostered active athletes permitted at Worlds will be equal to the number of athletes on the floor at the event where the bid was received. Team size may not increase after the bid was received. The program is permitted to replace original team members with substitutes and wild card alternates so long as they do not increase the total number of athletes on the team and they follow the guidelines outlined herein.

On a Worlds roster each athlete’s name will have to be identified as either an original athlete of the team that was on the floor when the bid was received, a substitute, or an alternate. All names on the team roster will be verified by the event producer who awarded the Worlds bid.

Athletes may not compete in more than one routine in the same category and division. For example: an athlete may not compete in two Senior Large Jazz routines, but may compete in a Senior Large Jazz routine and a Senior Small Jazz routine.

All athletes on a Worlds team must be a USASF athlete member and a registered member of that team’s program during the 2020-2021 competition season.

ORIGINAL TEAM MEMBERS
Original team members are athletes that were on the floor AND included on the official team roster associated with the event where their bid was awarded.

SUBSTITUTIONS
A team may substitute up to 20% of the athletes per team for The Dance Worlds. A substitute must be a regular, paid athlete from another team at the same program and must have competed on the floor for that program at the same event where the bid was awarded. All substitutes must meet the same eligibility requirements as the original team that received the bid (i.e. age, etc.).

NOTE: Percentages may be rounded up. For example: 20% of a team with 13 athletes is 2.6, which may be rounded up to 3 substitutes.

WORLDS WILD CARD ALTERNATES RULE
Of the (up to) 20% possible substitutes, one to three of that 20% may be alternates. Alternates are registered members of the same team’s program. Alternates do not have to be rostered or in attendance at the Worlds bid-qualifying event where the bid was received.

CROSSOVERS
At The Dance Worlds, an athlete may perform up to five times and must represent the same program. Crossovers of athletes between dance programs are NOT permitted at The Dance Worlds. NEW FOR THE DANCE WORLDS AND THE CHEERLEADING WORLDS 2021: Crossovers of athletes between dance and cheer teams are permitted.

ROSTER VIOLATIONS
It is important to ensure your roster is true and accurate before submitting it to the bid-giving event or Worlds. If a team is found to have made an improper substitution or alternate assignment, or has an illegal team member, this team:
• will be disqualified.
• may be responsible for repaying the total cost of any funds received through a partial-paid bid.
• may be prevented (along with the entire dance program) from being eligible for any type of bid to The Dance or Cheerleading Worlds the following year.

PROGRAM RELEASE WAIVER
Any athlete that has exhibitioned or competed on the floor with a team in any level from a (primary) program during the Worlds competition season (November 1, 2020 – May 31, 2021), must have a USASF Program Release Waiver signed by the owner of the primary program to be eligible to compete with another (secondary) program at The 2021 Dance Worlds. The USASF Program Release Waiver is found at TheDanceWorlds.net. This form must be sent to your Regional Director on or before April 26, 2021, and the original must be brought to your Roster Verification appointment.

U.S. TEAM ELIGIBILITY
Athletes must be legal residents or legal student residents of the United States. Each team member must provide proof of legal residency prior to the competition through the Roster Verification Process and upon request for each athlete that is NOT a U.S. citizen. Contact Amy Clark at aclark@usasf.net with questions about this policy.

ATTENDANCE REQUIREMENTS
USASF Worlds teams:
• must represent a USASF program;
• must be accompanied by an eligible USASF coach to enter the Worlds warm-up areas; and
• may not compete in the same division at The Dance Worlds and also at a 2021 end-of-season, multi-brand event.

RESERVE ATHLETES ON THE WORLDS ROSTER
• If, for any reason, a substitute is needed to replace an active athlete on a USASF official roster, ONLY an athlete listed as a reserve athlete on the respective team’s USASF official roster may be used for that substitution.
• An athlete attending The Dance Worlds exclusively as a reserve athlete may be listed on more than one team roster within the same program.
• The program must notify a USASF event official of an athlete replacement (moving athlete from reserve to active) prior to the team and the athlete taking the floor.
• Please allow adequate time for a USASF event official to verify eligibility.

WORLDS TEAM ROSTER AND MUSIC LICENSING VERIFICATION PROCESS

ROSTER AND MUSIC VERIFICATION PROCESS
All U.S.-based teams attending Worlds will go through an on-site roster verification once they arrive in Orlando.
1. Contact your Regional Director to schedule your appointment.
2. Bring a printed copy of your Official Event Roster for The Dance Worlds.
3. If you have non-U.S. citizens on your team, bring a printed copy of the International Athlete List and the appropriate original documentation that permits them to compete on a U.S.-based team. This form is available from your Regional Director.
4. Bring proof of licensing for all music used throughout your routine. Proof of licensing details can be found on page 19 under Music Policy.
5. During the verification appointment, you will meet with a USASF event official to review each team’s final roster. During the review process your final roster will be checked against the roster that was certified by the event producer. Any changes must follow the rules for eligible substitutions/alternates (reserves) as outlined in the bid packet. In addition, the paperwork for any/all athletes who are not U.S. citizens, but participating on a U.S.-based team, will be reviewed.
6. Once your roster is verified by a USASF event official, it will be locked and considered your Official Event Roster for The Dance Worlds and will be used during the Athlete ID Check prior to your team entering the warm-up room. Any changes made after this time must be reported to and verified by your Regional Director.

U.S.-BASED TEAM ROSTER
• All teams based in the United States will submit rosters through their USASF program membership portals as they have throughout the 2020-2021 season.
• All athletes must meet all participation, substitution, and alternate guidelines. See page 9 for more information.
• All U.S. athletes listed on your official roster for The Dance Worlds must be USASF member athletes and denoted as such. This includes all active and reserve athletes.
• Athletes not listed on the roster as active or reserve athletes will not be permitted to take the floor at Worlds.
• For additional instructions, please contact your Regional Director.

ATHLETE PHOTO ID CHECK — U.S.-BASED TEAMS
Prior to entering the warm-up room, USASF officials will verify the identity of each athlete on your team against your Official Event Roster for The Dance Worlds.
1. Athletes will line up in alphabetical order by last name (in the same order as the roster).
2. They will present the USASF official with their government-issued photo identification.
3. The USASF official will verify the name against the roster and the photo.

Acceptable forms of government-issued photo identification are:
• driver’s license
• state ID
• military ID
• passport
• visa

NOTES
• Each athlete must have an acceptable form of identification: a driver’s license, state ID, military ID, passport, or visa. A state ID may be obtained through your local DMV office and may take as many as six to eight weeks to receive. The minimum age required for a state ID varies by state. Passports typically take six to eight weeks. Please plan accordingly.
• It is the responsibility of the program and its representatives to allocate ample time to receive acceptable forms of identification so that athletes may enter the warm-up room and compete.
• International competitors on a U.S.-based team will show their passports or visas.
• Photo IDs are not a requirement for Exceptional Athletes.
AGREEMENT OF COMPLIANCE

In an effort to maintain the integrity and professionalism of The Dance Worlds, the USASF has established a code of ethics. It is our goal to offer a positive event where good sportsmanship is the major theme and all rules are followed. The USASF member event producers fervently encourage and support fairness, integrity, and sportsmanship among all athletes in all facets of dance and cheerleading, including, but not limited to team practice and performance. We strive to uphold the highest standards and promote this to the best of our abilities, and believe that coaches/program owners/directors are instrumental in promoting and instilling this among their respective team members.

SAFETY
- I understand that dance is a competitive activity, which requires proper training techniques for all athletes under my direction.
- I attest I have been properly trained in basic dance techniques, proper skill progression, and safety precautions.
- I understand it is my ethical duty to put the interest and safety of my athletes first, and not to put athletes under my direction at risk unnecessarily.
- I understand that only USASF coaches who meet requirements for eligibility in the USASF member system are permitted in the warm-up areas at The Dance Worlds.
- I understand that only USASF member athletes may compete at The Dance Worlds.

SPORTSMANSHIP
- I will support The Dance Worlds outcome and represent my program with integrity, including on social media.
- I will display good sportsmanship and require such of my athletes and parents/families of competitors, including on social media.
- I understand my position as a role model for my team and will conduct myself in a professional manner at all times; and I understand that my behavior is subject to disciplinary action if it violates the USASF Professional Responsibility Code.

HOTEL/RESORT GUIDELINES
- Smoking and/or the use of alcohol by a Worlds athlete is prohibited. An athlete in violation of this rule is subject to immediate disciplinary action including ineligibility for the current Dance Worlds. If the violation occurs after the athlete competes, yet during the event timeframe at any Worlds event location, then suspension for the following competition season will be implemented.
- Absolutely NO tape or paint of any kind on any walls, windows or doors. Be sure your team knows to leave the rooms as they find them (including furniture) when they check out.
- Do not prop your doors open.
- Illegal substances are prohibited.
- Travel in groups of two or more.
- Security will walk around at night and will be on patrol at all times. All athletes will have a midnight curfew, and will be asked to show courtesy in keeping noise levels down.
- Buses to the events will load and unload outside your registration location. YOU MUST WEAR YOUR LANYARD TO GET ON THE BUS. Whether in uniform or not, you must have proof of being on a Worlds hotel package to use the buses. We do not recommend that you use Walt Disney World® Resort shuttles to competition venues because they run on Walt Disney World® time and are not set to run with the times of our events or to our venues.
- The hotel and the USASF will not be responsible for any electronics, trophies, or other items. You will need to take them to the bus with you or store them in the USASF office located at one of the host hotels.
- If a minor loses a room key, he/she must be accompanied by an adult or coach to receive a new key.
- REQUIRED: Every team must have at least one coach, program owner, or responsible adult for every nine athletes staying at the hotel to supervise their team members.

WALT DISNEY WORLD® RESORT CODE OF CONDUCT
WHILE AT THE HOTEL
- Please be respectful to those around you, not every guest is on your schedule.
- Disrespectful conduct or behavior such as vulgarity, excessive rowdiness, excessive noise, and all other actions that negatively affect other guests or cast members is not permitted.
- During the quiet hours (10 pm - 8 am), guests shall be considerate and refrain from any conduct that could disturb others in the vicinity. Voices, televisions, or other devices must be kept at a respectful low level at all times. Doors should be opened and closed quietly. Congregating or running in halls is not permitted.
- For your safety and the safety of others, please do not engage in any unsafe act or acts that may impede the operation of the resort or any associated facility. Examples include: cutting in lines and leaving laundry unattended in washers/dryers for long periods of time.
- Help keep guest rooms enjoyable for all guests and free from damages. Damages to rooms, paint, or excessive cleaning will be charged to the group or group leader. Therefore, do not shower with the curtain outside the tub as this can cause water damage and do not hang items from the sprinklers in the ceiling as this can trigger the sprinklers and cause flooding.

Contact: WORLDS@USASF.NET / 888.315.9437

RULES AND REGULATIONS

I. GENERAL EVENT AND COMPETITION GUIDELINES

A. Athletes at The Dance Worlds may not perform more than five times and must represent the same program. Athletes may not compete in more than one routine in the same category and division. Example: A dancer may not compete in two Senior Small Pom routines.

B. Teams may not use Walt Disney World® themes, nor may they have costumes that resemble a Walt Disney World® character. However, Walt Disney World® music is acceptable if music licensing guidelines are followed.

C. Routine performance time may not exceed two minutes and fifteen seconds (2:15), and may not be less than one minute and forty-five seconds (1:45).

D. Each team is required to assign a responsible adult who knows the routine and music to stay at the music station during the team’s performance. This representative is responsible for starting the music and stopping the music in case of technical malfunction or injury. Please make sure that all devices are fully charged, placed in airplane mode, and the volume is turned up. If using a CD, make sure it is free of scratches to avoid skipping.

E. The performance floor surface will be a Marley floor with a center line from the front to the back. The entire floor is 53.7 feet wide and 50 feet deep. The Marley floor is comprised of 10 strips, each 5 feet 3.5 inches wide.

F. For the safety of all competitors, teams may not alter the performance surface (i.e. use of powder, flakes, etc.).

G. Athletes shall use the designated stage entrance and exit areas only.

H. All center markers are prohibited. All performance surfaces will have the center marked.

I. The competition is scheduled to be held at the ESPN Wide World of Sports® Complex.

J. The competition officials shall have the right to alter the time and location of the competition in the event changes become necessary due to inclement weather, facility problems, video production requirements, or any other situation deemed by the competition officials to be essential to the successful execution of the competition.

K. Use of fire, noxious gases, live animals, and other potentially hazardous elements are strictly prohibited.

II. PERFORMANCE BEHAVIOR

A. Athletes are expected to exhibit the utmost sportsmanship, respect, and support throughout the entire event.

B. From team introduction, competitors are expected to take the floor within 30 seconds and assume starting position of the routine. At the conclusion of the routine, competitors are expected to exit the performance floor immediately, within 30 seconds.

C. Actions that exhibit excessive boasting, a delay in competition, poor sportsmanship, unprofessional behavior, etc. may be penalized. All facets of a performance, including choreography and music, should be appropriate and suitable for family viewing.

D. Athletes with bare midriff and/or upper leg (i.e. leotard or costumes without shorts) must wear a suitable cover up over the costume unless in the warm-up area, on deck, or on the performance stage.

III. INTERRUPTION OF PERFORMANCE

Competition officials reserve the right to interrupt a team’s routine at any time deemed necessary and not covered by items A, B, or C.

A. Unforeseen Circumstances

1. If, in the opinion of the competition officials, a team’s routine is interrupted because of failure of the competition equipment, facilities, or other factors attributable to the competition rather than the team, the team affected or competition officials may stop the routine.

2. The degree and effect of the interruption will be determined by the competition officials. The competition officials will determine if the team will perform again immediately or be allowed to perform at a later time. If decided by officials, the team will perform the routine again in its entirety, but will be evaluated ONLY from the point where the interruption occurred. The spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials.

B. Fault of Team

1. In the event a team’s routine is interrupted because of failure of the team’s own equipment and/or music, the team must continue the routine.

2. The degree and effect of the interruption will be determined by the competition officials. The competition officials will determine if the team will perform again immediately or be allowed to perform at a later time. If decided by officials, the team will perform the routine again in its entirety, but will be evaluated ONLY from the point where the interruption occurred. The spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials.

C. Injury

1. Persons that may stop a routine for injury are: competition officials, the program owner/head coach from the team performing, or an injured individual.

2. The competition officials will determine if the team will be allowed to perform at a later time. If the competition officials allow a routine to be performed at a later time, the spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials. The injured athlete that wishes to perform may not return to the competition floor unless:

   a. The competition officials receive clearance from, first, the medical personnel attending to that athlete, the parent/guardian (if present), AND THEN the head coach/owner of the competing team.

   b. If the medical personnel do not clear the athlete, the athlete can only return to the competition if a parent or legal guardian in attendance signs a return to participation waiver.

   c. In the event of a suspected concussion, the athlete cannot return to perform without clearance from a medical doctor or designated official specifically trained in concussion management, even with waiver from a parent or legal guardian.
IV. HOW TO HANDLE PROCEDURAL QUESTIONS
Any question concerning the rules or procedures of the competition will be received only from one designated representative of the team (coach, director, etc.) and should be directed to a competition official. Such questions should be made prior to the team’s performance. Any questions concerning the team’s performance should be made to a competition official immediately after the team’s performance.

V. INTERPRETATIONS AND RULINGS
Any interpretation of any aspect of these rules and regulations or any decision involving any other aspect of the competition will be rendered by the event officials. The event official and judges will render a judgment in an effort to ensure that the competition proceeds in a manner consistent with the general spirit and goals of the competition.

VI. FINALITY OF DECISIONS
By participating in The Dance Worlds, each team agrees that the decisions by the judges will be final and will not be subject for review. Each team acknowledges the necessity for the judges to make prompt and fair decisions in this competition and each team therefore expressly waives any legal, equitable, administrative, or procedural review of such decisions.

VII. SPORTSMANSHIP
All athletes agree to conduct themselves in a manner displaying good sportsmanship throughout and following the competition. The owners, directors, and coaches of each team are responsible for seeing that team members, coaches, parents, and any other persons affiliated with the team conduct themselves accordingly. Severe cases of unsportsmanlike conduct are grounds for disqualification as explained in this document.

VIII. DEDUCTIONS AND DISQUALIFICATIONS
Any team in violation of USASF and/or IASF Dance Rules will be assessed a penalty between 0.1 and 5.0 points off the final score.

IX. SCORES AND RANKINGS
Individual judge’s score sheets are for the exclusive use of each particular judge. Each judge has the responsibility and authority to review and submit his or her final scores and rankings prior to the final tally of the scores for all teams. Scores and rankings will be available only to program directors, coaches and owners at the conclusion of the competition.

X. IN THE EVENT OF A TIE
• All USASF Senior Club Divisions will NOT break ties for teams moving to the next round or FINALS placements including Bronze, Silver, and Gold.
• All IASF Open and Junior Divisions WILL break ties for teams moving into FINALS. In such cases, event officials will look at the tied teams’ raw scores per judge to see which team was ranked higher most often. Whichever team ranked higher more often will receive the higher ranking.
• All IASF Open and Junior Divisions will NOT break ties for FINALS placements including Bronze, Silver, and Gold.

XI. MUSIC AND LIMITATIONS
Routine music used at The Dance Worlds must comply with applicable copyright law. At Worlds, all teams must provide proof of licensing. This will be reviewed during roster verification appointments (see page 15). This may include:
• proof of purchase from an approved music provider;
• if using a single song, receipt from purchase of single song; or
• if using an editor (editors do not have to be on the provider list), they must be able to provide you with proof of purchase from a provider and proof of licensing for all sound effects and voiceovers included in the mix.
If you have additional questions, please contact your USASF Regional Director.

XII. APPEARANCES, ENDORSEMENTS AND PUBLICITY
All teams agree to have all appearances, endorsements and publicity approved through the USASF office.

XIII. USASF LOGO USAGE
Teams will not be allowed to use the USASF logo or The Dance Worlds logo on items or apparel including banners, rings, bows, t-shirts, etc.

FREQUENTLY ASKED QUESTIONS

What is the difference between a hotel package and a commuter package?
All athletes competing at The Dance Worlds must purchase either a Worlds hotel package OR commuter package.

WORLDS HOTEL PACKAGES INCLUDE:
• athlete competition registration;
• hotel accommodations at either Disney’s All-Star Movies Resort or Disney’s Caribbean Beach Resort;
• 24-hr airport transfers by Disney’s Magical Express Transportation;
• Magic Your Way Ticket with Park Hopper® Option valid May 4-12, 2021;
• admission to The Dance Worlds/The Cheerleading Worlds; and
• transportation to all Worlds events.

COMMUTER PACKAGES INCLUDE:
• athlete/coach competition registration;
• Magic Your Way Ticket with Park Hopper® Option valid May 4-12, 2021; and
• admission to The Dance Worlds and The Cheerleading Worlds.

What happens if rooms at the host hotels sell out?
In the event of a sell out before the deadline at either host hotel, the USASF will make its best effort to make arrangements with an alternate hotel.

What are the hotel check-in and check-out times?
Hotels guarantee check-in at 4 pm. If rooms are ready in your block, the hotel may allow you to check-in early. Check-out at the host hotels is 11 am. Please communicate this to your entire group traveling with you.

How many chaperones do we need?
One program owner/coach or responsible adult (21 years of age or older) for every nine athletes is required.

Can we have five people in a room?
No. Disney’s resorts do not allow more than four people to a room. Rollaway beds are not available.

We have an uneven number of athletes. Can we pay the quad rate for three athletes in a room?
No. The travel package prices have been calculated according to how many people are in each room.

Can family and friends sign up for the Worlds hotel package?
Many coaches include parents on the hotel package with their teams. However, we encourage family members and friends to register separately. See the FAMILY AND FRIENDS section on page 11.

What if we are NOT purchasing a Worlds hotel package?
Each coach and athlete will need to purchase a commuter package which includes competition registration and a Magic Your Way Ticket with Park Hopper® Option. Spectators will simply need to purchase a Magic Your Way Ticket with Park Hopper® Option or purchase a daily admission ticket for entry into the competitions.

What does Park Hopper® mean?
A Magic Your Way Ticket with Park Hopper® Option allows you to visit one or more theme parks on the same day and will be considered only one day of admission. Days used do not have to be consecutive. Worlds Park Hopper® Tickets are valid May 4-12, 2021. To enter a park, both a park reservation and valid admission for the same park on the same day are required.

Do we use our Park Hopper® Tickets for competition?
Yes. Each athlete and coach will need a Worlds Park Hopper® Ticket to enter the competition venue. This will NOT be considered a theme park admission and will not use a theme park day on your Park Hopper® Ticket. Park Hopper® Tickets purchased for Worlds are NOT valid admission to cheer/dance venues hosted by other companies and vice versa.
