** Our goal is to create teams that will challenge athletes without causing frustration and therefore maximize the growth of the dancer. Please respect the coaches' decisions.*

The commitment to a POD All-Star team is for the **entire dance season**. Routines, formations, choreography, staff, competitions we attend, and the placement of dancers on a team are all based off a commitment of each member at the beginning of the season. It is important that each dancer joining a team does so with the intention of keeping that commitment for the entire season. Tuition for All-Stars and all classes is split into 4 payments for the convenience of the families and is due at the beginning of each session of classes. Should a dancer leave a team for ANY reason during the season, the family will be expected to pay the rest of the year's tuition fees at the time of departure.

*We have read the Power Of Dance All-Star information. We understand the time, costs, and expectations. We agree to these terms and will do our best to keep the lines of communication open between the team, the coach, and our family. My daughter/son has my permission to accept a position on a Power Of Dance All-Star Team.

POD All Star Conflict Form

* The following conflict charts will aid us in team placement, Mandatory Choreography Camp scheduling, and competition selection for 2019-2020 season. While we cannot possibly plan around every family's schedule, we WILL take into consideration unavoidable conflicts that you might have. These conflicts may include family weddings, religion, unchangeable vacation times, etc. We are not guaranteeing we will be able to plan around conflicts nor should this be looked at as an excuse sheet for conflicts during the season. **Dancers with too many unavoidable conflicts may not be able to participate on a team.** All competitions as well as the 2 practices before a competition are mandatory. Once the All-Star schedule is set, please be sure to discuss all conflicts with your dancer's coach or a POD director. **Practice times may be set for any time between 4-9:30pm Mon-Fri and Sat morning.**

Choreography camp will run the weeks of Aug. 12th and 19th. Each team will be assigned a 1-2.5 hour block each day but the TIMES have not been set. If you have an issue the weeks of choreography camp, please describe it below.

Reason for Conflict	Days/ Dates/and TIMES (be specific!)	Are any of these days/dates flexible? (explain)

Yearly Conflicts (Mandatory religion classes, pre-planned family obligations, weddings, etc). Be as specific as possible with dates. Religious education is by far the most common yearly conflict. While we in no way mean to reduce the importance of religion class, we WILL need to have some teams practice on Wednesdays. If you have a religion conflict, please explore your options for religious education and- if possible- list them below. We will most likely have our Senior teams practice on Wednesdays. Thank you!!

Reason for Conflict	Days/ Dates/and TIMES (be specific!)- do not say "every Tuesday" or "the entire month of July" unless it REALLY is!	Are any of these days/dates flexible? (explain)

The conflicts you have listed here will be used by your coaches to schedule practice times. **You WILL STILL NEED to notify DAWN of your absences as the year progresses so that she can enter them on the studio calendar. We have over 150 dancers on All Stars and cannot possibly memorize all family schedules nor will we continue to look back at these sheets as the year goes on. Please remind us of your child's unavoidable conflicts 2-3 weeks prior. Thank you!!

** While we would love to place all students that want to compete on an All Star Team, the Power Of Dance and its directors reserve the right to turn down admittance to students they feel do not possess the skills, qualities, or attitude necessary to maintain a successful program.
