

COVID POLICY – Power Of Dance

Summer 2021

- Masks will remain required while entering the building and throughout the hallways.
- We will maintain the same 'flow' of traffic as we had all year. Meaning, students will enter through the front doors and exit out their respective classrooms. We will monitor the hall and lobby areas so as to limit the number of people in the building 'waiting'. Parents of younger children will receive first priority as to staying in the lobby.
- We will maintain doing temperature checks and sanitizing upon entering the building, and encourage using sanitizer upon leaving. Acro students will be required to sanitize when exiting as they are constantly touching multiple surfaces.
- Masks will be optional in the classroom for dancers. Considering children under the age of 12 do not have the option of vaccination, we will adhere to the social distancing guidelines inside the facility. We will continue to keep an eye on the classes and make sure the students are not in too close of contact.
- Studio doors to the main building hallways will remain open for air flow. Doors to the outside will be open upon exiting only. We want to keep the air conditioning inside the building so the students do not get overheated in the summer months.
